Treći Onkološki simpozijum Beograd, 10-11. oktobar 2014.

1. septembar 2014.

Poštovani,

Zelimo da Vas obavestimo da će Institut za onkologiju i radiologiju Srbije, Beograd i Institut za plućne bolesti Vojvodine, Sremska Kamenica uz podršku predavača iz Memorial Sloan Kettering Cancer Centra iz Njujorka, SAD i koorganizaciju Fondacije NJKV Princeze Katarine organizovati Treći onkološki simpozijum koji će se održati 10. i 11. oktobra 2014. u Hotelu Hyatt Regency, Beograd.

Na predstojećem Simpozijumu biće predstavljena najnovija saznanja, iskustva drugih zemalja kao i trenutna situacija u Srbiji po pitanju prevencije, dijagnostike i lečenja raka dojke i raka pluća.

Prva i druga konferencija koje su održane u septembru 2008. i septembru 2009. godine bile su posvećene skriningu i dijagnostici raka dojke i u njima je učestvovalo preko 500 lekara iz cele zemlje. Ove godine teme su proširene i na oblast karcinoma pluća.

Simpozijum je namenjen lekarima iz kliničkih centara, bolnica i domova zdravlja iz cele Srbije.

Konferencija je akreditovana kod Zdravstvenog saveta Republike Srbije za lekare, farmaceute, biohemičare i zdravstvene saradnike pod brojem A-1-1886/14 sa 11 KME bodova za predavače i **5 KME bodova** za učesnike i **učešće je besplatno**.

Za predavanja stranih predavača koja su na engleskom jeziku biće obezbeđen prevod.

U prilogu Vam saljemo registracioni formular. Molimo Vas da nam popunjen registracioni formular najkasnije do **5. oktobra 2014.** posaljete na mail Fondacije help@pkfond.rs ili fax 011/306 40 40.

S poštovanjem,

Biljana Latinović Tanasković
Izvršni direktor
FOND N.J.K.V. Princeza Katarina

Preliminarni program Onkološki simpozijum 2014

Hotel Hyatt Regency
Beograd, Srbija
10 – 11. Oktobar 2014.

Organizacija:
Institute for Oncology and Radiology of Serbia
Institute for pulmonary diseases of Vojvodina
Co organisation:
HRH Crown Princess Katherine Foundation

Strani predavači po pozivu:

Boris Brkljačić, MD, PhD	Professor and Chairman Department of Diagnostic and Interventional Radiology Dubrava University Hospital, Zagreb, Croatia
Ass.prof. Vilijam Kovač	Clinical Center Ljubljana, Slovenia
Prof. D. David Dershow	Professor and Attending Radiologist Breast Imaging Service, Department of Radiology Memorial Sloan Kettering Cancer Center, New York, United States
Prof. Hedvig Hricak	Professor and Chairman Department of Radiology, Memorial Sloan Kettering Cancer Center, New York, United States
Prof. Bakir Mehić	Medical Faculty of Sarajevo, Fed. BiH
Prof. dr Miroslav Samaržija	Clinical Center Jordanovac, Zagreb, Croatia
Prof. Mirko Stanetić	Clinical center Banjaluka, Republika Srpska, Fed. BiH
Sheila Rose Fortunato	Memorial Sloan Kettering Cancer Center, New York, United States

Domaći predavači:

Prof. Radan Džodić, MD, PhD	Director of the Institute for Oncology and Radiology of Serbia, Belgrade, Serbia
Prof. dr Dragana Jovanović	Special adviser to the Minister of Health Director, Clinic for Pulmonary Diseases, Clinical Center of Serbia
Prof. dr Nevena Sečen	Vice director, Institute for Pulmonary diseases of Vojvodina, Sremska Kamenica, Serbia
Prof. Branislav Perin	Director, Institute for Pulmonary disease of Vojvodina, Sremska Kamenica, Serbia

Srmena Krstev, MD, PhD	Head of the National Committee for Tobacco Use Prevention of the Ministry of Health of Serbia Institute of Occupational Health of Serbia "Dr Dragomir Karajović", Belgrade, Serbia
Prof.Ivan Kopitović	Vice director, Institute for Pulmonary disease of Vojvodina, Sremska Kamenica, Serbia
Davor Radosavljević, MD, PhD	Director of the Clinic for Medical Oncology, Institute for Oncology and Radiology of Serbia, Belgrade, Serbia
Prof. Dr Milan Rančić	Clinical Center Niš
Ass Prof Milana Panjković	Institute for Pulmonary Diseases of Vojvodina, Sremska Kamenica, Serbia
Ass Prof Dejan Đurić	Institute for Pulmonary disease of Vojvodina, Sremska Kamenica, Serbia
Ass Bojan Zarić,MD, PhD	Institute for Pulmonary disease of Vojvodina, Sremska Kamenica, Serbia
Zoran Andrić, MD, PhD	KBC Bežanijska kosa, Beograd
Prof Olivera Ciraj-Bjelac	Institute of Nuclear Sciences, Belgrade, Serbia
Jasmina Mladenović, MD, MSc	Head of the Breast Cancer Radiotherapy Department, Institute for Oncology and Radiology of Serbia, Belgrade, Serbia
Verica Jovanović, MD	Head of the National Screening Office, Institute of Public Health of Serbia
Koča Čičarević, physicist	Institute for Oncology and Radiology of Serbia

Friday, 10 October

12.00-13.00 **Registration of participants**

13.00-13.30 **Official opening of the Conference**

Key note speeches: *His Royal Highness Crown Prince Alexander*
Her Royal Highness Crown Princess Katherine
Minister of Health

13.30-14.30 **Oncology**

13.30–14.00 *Oncology in Serbia – Present and Future*
Prof. Radan Džodić, Director of the Institute for Oncology
and Radiology of Serbia

14.00-14.30 *Programs of Prevention – Ministry of Health of the Republic*
of Serbia
Prof. dr Dragana Jovanovic, Special adviser to the Minister of
Health, Director, Clinic for Pulmonary disease Clinical center
of Serbia

14.30-18.45 **PULMONARY CANCER PREVENTION AND TREATMENT**

14.30 *Tobacco control in Serbia*
Srmena Krstev, MD, PhD, Head of the National Committee for
Tobacco Use Prevention of the Ministry of Health of Serbia

14.45 *Epidemiology*
Prof.dr Milan Rančić MF, Niš

15:00 *Biology, Pathogenesis and Pathology*
Doc.dr Milana Panjković, MF Novi Sad

15.15 *Bronchoscopy*
Prof.dr Branisla Perin, IPBV, Sremska Kamenica

15.30 Early Detection
Ass dr.sci Bojan Zarić, IPBV, Sremska Kamenica

15.45 *NSCL Early stage - treatment*
Dr.sci med. Davor Radosavljević, Institut za Onkologiju i
Radiologiju, IORS, Bg

16.00 *Advanced NSLC – news in the treatment*
Prof.dr Miroslav Samaržija, KC Jordanovac, Zagreb, Croatia

16.15 *SCLC, Thymoma*
Zoran Andrić, MD Ph, Bežanijska kosa, Beograd

16.30 - 17.15 **SPONSORED SYMPOSIUM**

16.30-17:00

Coffee Break

- 17.15 *Mesothelioma*
Prof.dr Nevena Sečen, IPBV, Sremska Kamenica
- 17.30 *Immunotherapy*
Prof.dr Dragana Jovanović, KCS, Bg
- 17.45 *Novel therapy*
Prof.dr Bakir Mehić, MF Sarajevo, Fed. BIH
- 18.00 *Radiotherapy*
Ass Prof dr Vilijam Kovač, Klinički centar Ljubljana, Slovenija
- 18.15 *Preoperative evaluation of lung resection candidates*
Prof.dr Ivan Kopitović, IPBV, Sr. Kamenica
- 18.30 *Surgery of lung cancer*
Ass Prof dr Dejan Đurić, IPBV, Sremska Kamenica
- 18.45 *Paliative care*
Prof dr Mirko Stanetić, Clinical Center Banjaluka,
Republika Srpska

19.00-19.30

Oncologic Imaging

- 19.00 *Oncologic Imaging in the Era of Molecular Medicine*
Hedvig Hricak, MD, PhD
Professor and Chairman
Department of Radiology
Memorial Sloan Kettering Cancer Center, New York, United States

Saturday, 11 October

09.00-13.30

Breast Cancer Screening, Breast Imaging and Development of a National Radiotherapy Program for Breast Cancer

- 09.00-09.30 *Breast Cancer Screening: the benefits and the harms*
D. David Dershaw, MD
Professor and Attending Radiologist
Breast Imaging Service, Department of Radiology
Memorial Sloan Kettering Cancer Center, New York, United States
- 09.30-10.00 *Implementation of the National Breast Screening Programme - Project Update*
Verica Jovanović, MD, Head of the National Screening Office

10.00-10.30	<p><i>New technologies in breast imaging including tomosynthesis and contrast mammography</i> D. David Dershaw, MD Professor and Attending Radiologist Breast Imaging Service, Department of Radiology Memorial Sloan Kettering Cancer Center New York, United States</p>
10.30-11.00	<p><i>Breast Screening-Lessons Learned</i> Boris Brkljačić, MD, PhD Professor and Chairman Department of Diagnostic and Interventional Radiology Dubrava University Hospital, Zagreb, Croatia</p>
11.00-11.30	<p><i>Imaging of Cervical Cancer</i> Hedvig Hricak, MD, PhD Professor and Chairman Department of Radiology Memorial Sloan Kettering Cancer Center, New York, US</p>
11.30-12.00	Coffee break
12.00-12.30	<p>Quality Assurance in Mammography Olivera Ciraj-Bjelac, PhD Vinca, Institute of Nuclear Sciences Belgrade, Serbia</p>
12.30-13.00	<p><i>Breast Cancer Radiotherapy in Serbia</i> Jasmina Mladenović, MD,MSc, Institute for Oncology and Radiology of Serbia</p> <p>Quality Assurance in Radiotherapy Koča Čičarević, physicist, Institute for Oncology and Radiology of Serbia</p>
13.00-13.30	Workshop – Discussion on QA in Radiotherapy, Development of a QA Program and Funding for Programs and Training
13.30-14.00	<p>Grant Workshop – Funding for Projects Sheila Rose Fortunato Department of Radiology Memorial Sloan Kettering Cancer Center, New York, United States</p>
14.00	Closing Remarks
